

There should never be a time when a woman walks into an abortion clinic and does not meet someone outside holding a sign, saying, 'I'm here. I want to give you help. You are not alone.'

40 DAYS FOR LIFE 365

MIKE HUCKABEE
Fox News host and former Arkansas governor
"40 Days for Life has become an example in many communities on how to offer hope, compassion, and love to those who feel their only hope is an abortion. It is because this effort is built on prayer and it focuses on the most important level in America—the local level. This is where abortions take place and that's where hearts and minds are being changed."

ABBY JOHNSON
Former Planned Parenthood Clinic Director
"I am in this movement today because of ordinary people who took on an extraordinary task. My former abortion clinic is closed because of their sacrifice. Babies are alive because of them. Women are no longer being hurt by abortion in their community. You can do this. You can save a life. I now stand alongside you in this 40 Days for Life movement."

HELP SAVE LIVES BY PRAYING FOR AN END TO ABORTION IN YOUR COMMUNITY — YEAR-ROUND

40 DAYS FOR LIFE 365 IS AN INTERNATIONALLY COORDINATED CAMPAIGN THAT AIMS TO END ABORTION THROUGH YEAR-ROUND PRAYER AND FASTING, COMMUNITY OUTREACH, AND PEACEFUL VIGIL IN FRONT OF ABORTION BUSINESSES.

WHAT IS 40 DAYS FOR LIFE 365?

Each spring and fall, the internationally coordinated 40 Days for Life campaign unites hundreds of cities to pray for an end to abortion in front of local abortion facilities.

These 40-day vigils have dramatically reduced the abortion rate in communities around the world...

...but the abortion industry continues to prey upon vulnerable moms, dads, and babies on Day 41.

Campaign leaders and those who feel called to take their pro-life efforts to the next level have joined the 40 Days for Life 365 campaign, which offers local pro-lifers the opportunity to build a prayer presence in front of their local abortion business throughout the year.

Collapse the Abortion Rate in Your City!

WHY 40 DAYS FOR LIFE 365?

- Former abortion workers report that when somebody is out praying in front of an abortion facility, the no-show rate for abortion appointments can go to as high as 75%.
- The impact of your community's peaceful vigil on abortion workers' consciences is cumulative. A year-round presence in your community means more abortion workers will convert and leave their jobs.
- Your presence can devastate an abortion business's bottom line—and help close its doors forever.
