Can't give financially but still want to give of your time and talent? Here are some ideas how you can help San Antonio Coalition for Life:

Stand and Pray Volunteer - out on the sidewalk as a support for interns and advocates.

Sidewalk Advocate - offers help and services on the sidewalk. 6 hours of online training and then 1 on 1 with Cathy Nix on the sidewalk.

Sidewalk Intern (18 and older) - paid position, trained like an advocate, then special training for duties on the sidewalk. 3-hour shifts.

NEW! Prayer Warrior Task Force – willing to pray for special requests (via email or text) as they arise, esp. for abortion-minded girls we meet at the sidewalk.

Help with **social media** outreach on Facebook, Twitter, Instagram, and website - keeping news updated and fresh.

Help with coordinating the prayer and advocate **calendars** using Google Calendar and Calendly programs.

Help with creating and sending **Constant Contact** emails to our list.

Help create and keep up the new **sidewalk blog**.

Help coordinate the **Google Drive** materials for 40 Days for Life - set up for spring 2021 campaign.

Collect and organize **church listings** for us to contact ahead of the spring campaign.

Community and church outreach - Baby Bottle Boomerang campaigns. We provide small baby bottle collection items which are distributed to groups. The people put in their change, bills, checks, and then bring them back where we collect and deposit money. Work as a liaison with schools and churches to do these campaigns. (This is a team effort, so you wouldn't be alone to do all the work!)

Have another idea? Let us know! There is much work to be done - "The harvest is plenty, the laborers are few!" (Lk 10:2)
